7. DISSEMINATION

Accumulation of Intelligence Publications Overseas

Procedures to reduce the accumulation overseas of national and CIA finished intelligence (IAC-D-69/2 and memo from AD/IC to DCI dated 30 April 1953).

Dissemination of National Intelligence Surveys

Procedure for IAC control of dissemination of the National Intelligence Surveys to non-IAC agencies and foreign governments (IAC-D-45/12).

Control Stamps

A proposal to standardize, and thereby reduce, the control mechanisms over the dissemination and use of intelligence currently is being considered by the IAC representatives (Draft DCID 11/2).

Dissemination of CIA Intelligence to Foreign Governments

A proposal to clarify the responsibilities of the dissemination and security officials in questions of foreign dissemination of CIA intelligence is before the Deputy Director of Central Intelligence for decision.
